Dear Ms. Cox:

As specified in the Memorandum of Understanding between EPA, Region III and the DNREC, attached is a "draft/proposed" permit renewal AQM-003/00111-Renewal 2 for Delaware Solid Waste Authority's Cherry Island Landfill, located at 1706 E. 12th Street, Wilmington, Delaware, together with DNREC's Technical Memorandum, and a copy of the required public notice. Please note the public comment period ends April 10, 2012. DNREC requests concurrent review of Cherry Island Landfill's "draft/proposed" permit renewal. Comments may be submitted for the "draft/proposed" permit renewal on or before April 25, 2012.
